

CALL FOR PAPERS

The Online Journal for Workforce Education
and Development

Evaluating Workforce Education

Submission Deadline September 28, 2007

The Editorial Board of Directors invites you to submit manuscripts for publication.

Mission

The Online Journal for Workforce Education and Development is a peer-reviewed publication produced by the Department of Workforce Education and Development at Southern Illinois University-Carbondale intended to stimulate and disseminate scholarly activity on critical issues and research in workforce, career, and technical education, including training and development.

Intended Audience

The Journal is intended for teachers/professors in schools, colleges, and universities; human resources experts in corporate, military, educational, and professional fields; and other specialists in workforce, career, and technical education.

Call for Papers

Faculty, practitioners, and students are invited to submit original manuscripts that can make a valuable contribution to multiple readerships in workforce, career, vocational, adult, and technical education. Papers can address discipline-specific topics, as well as those that are interdisciplinary are valued. Evaluation topics may include, but are **not** limited to:

- ❖ *Qualitative evaluation for workforce education programs*
- ❖ *Developing formative and summative evaluation methods for workforce education programs*
- ❖ *Developing methods to effectively use data to implement back into programs for continuous improvement*
- ❖ *Developing effective evaluators to review workforce education programs*

Conceptual, developmental, and theoretical/applied research articles are welcomed.
